DETAILED ACTION

Allowable Subject Matter

1. The following is an examiner's statement of reasons for allowance: there are no prior arts teaching or suggesting of an outage notification system for detecting a power outage at a customer location, the system comprising:

a first device operably coupled to a first circuit at the customer location;

a second device operably coupled to a second circuit at the customer location;

wherein the first device is operable to:

determine a status of power supply to the first circuit; and

communicate the status of power supply to the first circuit to the second device; wherein the second device is operable to:

determine a status of power to the second circuit; and

notify via a network, a receiving system associated with the electric utility of a power outage at the customer location based at least in part on the statuses of power supply to the first and second circuits.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
